

# Ultimate Beach Escape Weligama

**2 NIGHTS / 3 DAYS**

## THE TRIP

Weligama's bay is wide, shallow and forgiving hundreds of surfers come each year to spend their days riding the bay's gentle waves. Three days built around a long beach meant to take a break from everyday business of life, spending some perfect beach time and learn a new hobby along the way.

## Highlights

|                                                                                                                                                                 |                                                                                                                                                        |
